

**BUILDING THE  
FUTURE  
OF CARE  
TOGETHER**

# Building Together Update

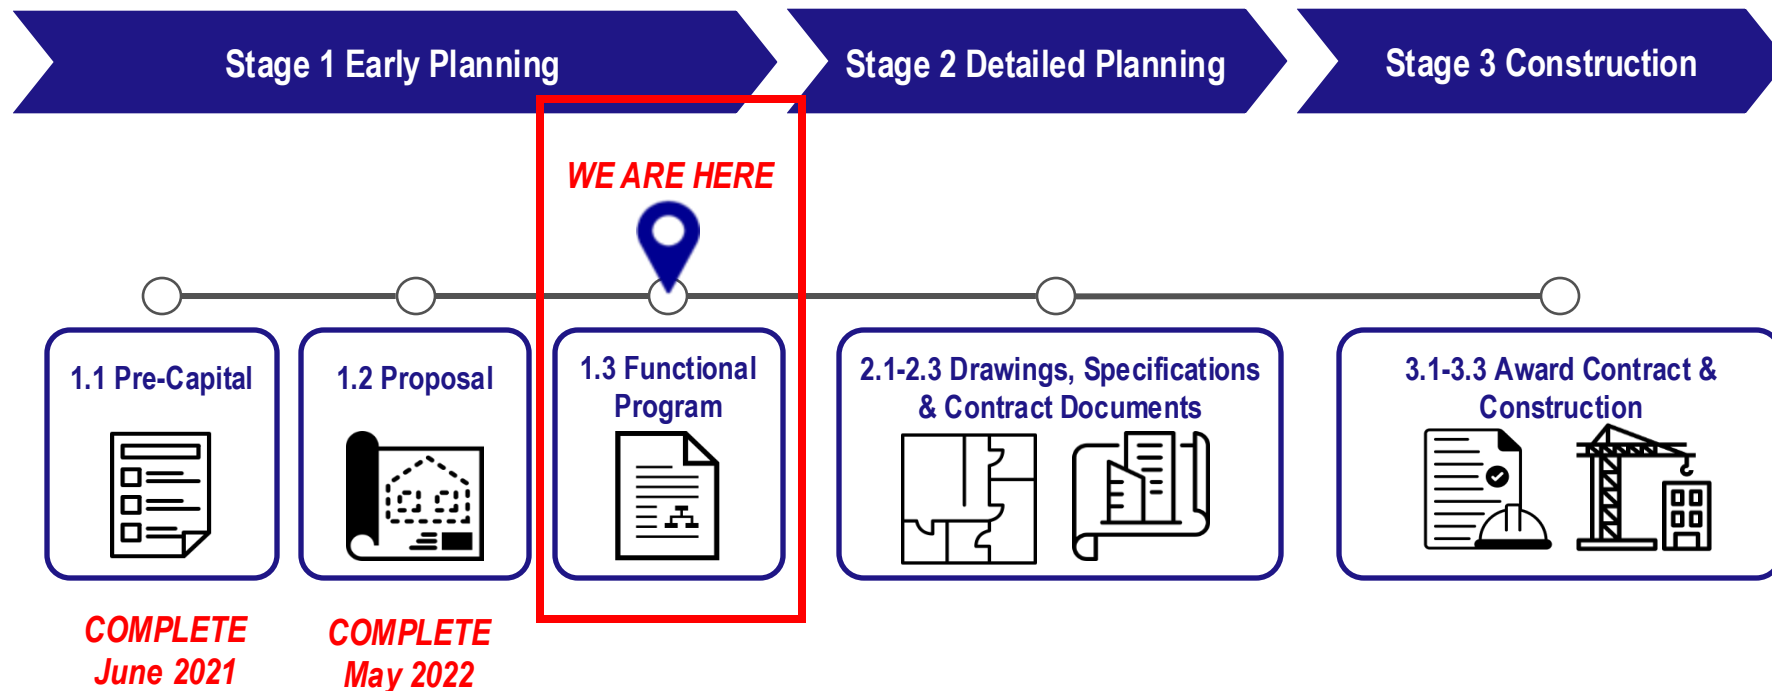

November 2024

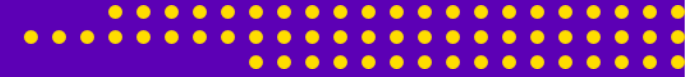

# Ministry of Health

Hospitals in Ontario must follow the Ministry of Health **Capital Development Planning & Approval Process** when **building a new hospital**. Currently, the **planning of the new hospital in Waterloo** is at **Stage 1.3 Functional Program**. It is anticipated that the **Functional Program** will be **submitted** to the Ministry of Health in **June 2025** for their review, input and approval.

- **Currently, 42 hospital program teams, or user groups, are meeting and providing input on every program, service and activity that will be delivered in the new facility, and the resources and space required to ultimately deliver those services.**
